“ May God comfort each of you in this time of need. I know there was rejoicing in heaven when you father and Kenny saw your mother coming to be with them. She must have been a wonderful Christian woman for the Lord to have blessed her in so many ways while she was here on earth. I praise God for her life and her testimony (her family). God bless you every one.

“ Grandma, it was you that first told me about Jesus, and you that prayed for me for so many years - through my rebellion and my rejection of the grace of God. It was according to God's sovereign will that I was called to Christ, but I know too, that God used your words and your prayers to plant the seed that He would grow and harvest. I love you so much and in this flesh, I miss you. But praise be to our glorious God, I will see you again.
