“ I would like to offer my deepest sympathies to you. I have lost many dear loved ones in death. I am so sorry for your loss. Please know that you are never alone. Turn to the Holy Scriptures for guidance and to help soothe your heart. Psalms 34:18 assures us that God is near to those broken at heart and crushed in spirit. Please accept my deepest sympathies.

“ My family will always remember the days that my sister, brother and I grew up with Stevie. Living next door, we were all together for 13 years every day. Stevie was so easy to be with. I never remember a day that we didn't all get along and enjoy growing up together....He will be missed.

With love,

*Please accept my sympathy at this tender time for your loss. When a love one has conquered and completed their current journey, the ones here on earth have to learn to live without the one we hold dear. How? Time helps to console, and though humans may not have the perfect thing to say, just knowing someone cares can help. 2 Cor 1:3 the God of all comfort.*
