“ Sorry and sadden with news about Steve. He was a friend growing up. Good memories. We seemed to go separate ways in adult years and lost contact with each other. Condolences to his family and friends. RIP Steve.

“ *So very sorry to hear that Steve has passed away. We were in grade school through Columbia State together. We were in the cub scouts where both of our mothers were den mothers. We played together on the basketball team. He was a great friend and teammate.*

I wish all the best to his family during this difficult time.
