My most sincere condolences to Brenda, Candice and granddaughters and companion who I know supported you through your hard fight. “ *I worked with Cude at Turney Center. He was my "Gentle Giant" - towering over the inmates and never left my side. He was my "work husband". We talked about every and anything. When I was promoted I hated the thought of leaving, but we kept intouch as much as we could. Now he is up there with the Angels. Love you Cude. Always*
