“ Terri and Steve are very dear to my family. It breaks my heart to hear of this of this news. They were one of the first families to adopt us when we relocated here. We shared laughs at game night and Steve was always grinning, even when he was losing but he mostly won. He was always full of humor and the life of the party. May God cradle this family in this time. Steve will be missed but he will always be in our hearts.

“ *Always, always kind. Always that grin/smile that spread to others. Terri & Steven were part of our family's routine for years! Before our kids/Grandkids moved away, EVERY Saturday morning, we took donuts over to them. They would watch & wait, then shout when we pulled in their driveway; "Papa's here with donuts!" They "still" wait for those donuts, when they visit Hohenwald! He was such a part of this town, we will miss him, but above all , we pray for the sorrow filled, grieving, broken-hearted Potts Family & Close friends. May Gods Peace fall on every one of you.*
