“ I'm her nephew and I have good memories of my aunt Susie and the air shows that her and my mom would take me and my sister to. She might have done something bad towards me to get family against me, but I forgive her for it and I'll miss her. I salute you Aunt Susie.

Susan was a dear friend. I have so many beautiful memories, slumber parties, ball games, camping trips, enjoying the beach, church camp, putting on skits at camp, bible school, rock hunting, college roommate, enjoying her bridal shower and wedding. She and her family treated me as one of their family. She was a talented organ player, and singer. She was gifted with learning Spanish. I am so very blessed to have had her in my life. The memories and tears flow. May God be with your family and friends as they mourn your passing through the veil. Carol Shaw Khodabandeh

My condolences to her mother and the rest of her family. I have fond memories of her and her parents at GSC. I considered her and her parents friends when we were in school. May God bless her family and her mother.
