“ I'll never forget all of our times together, going to square dances, singing at Aunt Libby's around her piano. I can't believe you're gone and that I didn't get to tell you how much I love ya. I know you have been struggling with health issues over the past several years and I know that now you are free! Fly high Teresa I know you will be singing in the choir!

“ Teresa was a great friend to me. We lived
close & rode the same bus & had a lot of fun
during high school years. I will miss you dear
friend.
