“ Terry was a great man, and a great friend, the type friend that has only come along a few times in my life! I enjoyed our times in Florida, at the drag races, at the car races and simply sitting around, talking at the car lot on Saturdays. Terry ALWAYS greeted me with; "How are ya my brother?!" I will really miss hearing that! We were truly blessed to know a person such as Terry. May he rest in peace, with the wind in his hair & the sun on his back! Sincerely, Rick Bates

“ I first meet Terry around 1965 or 1966 when we moved to Tomey. He he came flying doen the road into our yard and did some tricks on his honda motorcycle. I was amazed be around 6-7 years old . I ask if I could ride it and he said yes . it took a few trys and I was hooked. Terry was about 5 years older than I but he ever treated me differently than my older brothers. I have heen blessed by knowing him. As life has it and we go our different ways and havent each other much but when we did we laughed about the old days in tomey. thanks for memories.
