“ *When I was pregnant with my oldest child the due date was close to Uncle Terry's birthday. He was vying for her to be born on June 19th (his birthday). When she was, he was very happy and the two of them always had a special birthday bond. Uncle Terry was such a special man. He was always present and accounted for in his family's life. He knew how to have fun. He also knew how to stand up for what you believe in. Each family gathering you could find him right beside Dakota, Jeremiah and Cassie laughing and catching up. Most recently his grandson Eli stole his heart and you could literally see his love for him when he held him. He was so proud of his growing family. I can honestly say, holiday gathering's will never be the same without him. Aunt Debbie I love you. You and Uncle Terry were a beautiful example of a happy marriage and I strive to set the example you set for me.*
