“ Terry was a Shipps Bend bus rider or more so he lived up in Riverview Estates but we all road the bus together. On that bus ride many life long friendships were made. Truly will miss his hugs every time I seen him out working for the. City. Much love to Melissa and also to Lisa. Terry was a dear friend full of so much life. That is the memory I will always keep.

“ Terry James is my precious nephew, I have so many memories of him but one he and I both loved was when he was 8 and I was 16 my daddy his granddaddy, Dee James brought home an old army jeep, Terry loved it and they let me drive it and Terry was so excited because he could ride too. He jumped up in jeep, it was a clutch of course, we rode it all around he was having a ball on that jeep, I decided to try to go around the house and I let the clutch out to fast and ran right into back of our house, it scared me but it scared Terry so bad he jumped out just puked right there by jeep. We have laughed so much about that. Our memories were many and all good ones.
