“ What a great guy! I treasured his friendship. Talking motors, and k5 blazers, and Volkswagens. We helped each other with problems about them, and just talk about life. I will miss this great man, and mostly miss his friendship. I will pray for his family, and treasure his memory.

Terry and Joyce and family, I am so very sorry. This has to be the greatest heartbreak a parent can face. My prayers are with you. May Almighty God hold you close in this hard time and in the days ahead.
