“ *To a friend; to a Foster Brother; to a Comrade-in-Arms - Terry, may you rest in peace. You were a favorite friend to my parents, and a friend to my family. Also and important, you were a Vietnam Veteran that served his country when many in our country did not care for us that did our duty to the best of our ability; a belated thank you from the United States of America.*

“ *Terry was my uncle (my Mom's younger brother). I haven't seen him in a long time but he was truly a blessing to know and when I think back to memories involving Terry, they are always funny. I know he will be missed so much by Glenda, Tammy, Tracy and the grandkids.... and his community. I love you Uncle Terry and you are in a better place.*
