“ One of a kind. I miss him even more now than ever. He would give everything and take nothing in return. There's so much more I could have learned from him if I'd taken the time. I'm thankful for the fact that I started spending more time with him and every moment was appreciated. I could never match how good he was to people. But thanks to him setting such a good example, I've been able to close the gap and do a lot better with giving and asking for nothing in return. Thanks Dad! Can't wait to see you again!

“ *My dad was a very loving and kind person. He was always there to help anyone no matter what they needed. He was a very proud pawpaw to Kailyn and Sarah also. Kailyn loved him so very much and they were each others world. He will be dearly missed by all.*
