“ I always liked and respected this man. Working with him for a few years at the group home was always special. He had a way to brighten your day and make work enjoyable to come into.

“ Tommy was a lifetime great friend and classmate. He was in my homeroom for the four years. He had a great sense of humor and could dance really good. No doubt, his sisters taught him. He also could sing well. My friend and I used to walk to the ball park on baseball game days and watch him and other classmates play baseball. We always enjoyed watching all of them play. Tommy fell in love with Gwen when we were in high school, and I was always so touched when he always ended his prayer (that was when prayer was allowed in school and we had a devotional every day in homeroom) with, "God bless Gwen." Their love story was very sweet. Now they are all together in Heaven and reunited with their precious Hollie. Tommy will be missed by the Lewis County High School Class of 1963. We loved him.
