“ *I have visited many times with Tom in recent years stopping in just to chat and see how he was doing. We talked about old memories, family, friends and those that had passed. A man always willing to do what he could for others at anytime. I will miss my visits Mr. Tom and as I was leaving each time I would holler back at him and say, " Now if you need anything you got my number, just give me a shout." You will be missed sir, until we meet again.*
