“ I wish to extend my sincere condolences to family and friends alike. Timothy was a great friend to me when others would have me not. He could understand and relate and help me find solace at times where comfort was all but a fleeting memory.

Never more gentle of a soul had i met in my life Timothy could always put a smile on my face with his humor and charm we shared much in common for this reason alone i feel such loss.

In many ways i hope the same guidance and support he had shown me was a mutual bond as we would speak for hours on topics vast and always find a peaceful resolve for each and every state of turmoil we may have found ourselves in.

I met Timothy always called em Tim in a game not more than 2.5 years ago from the minute we spoke i told myself this is a man to be trusted this man is a friend as time went on we shared many aspects of our lives.

Never having the honor of meeting him in life to be certain one of my greater regrets but to have known him to speak with him and play games with him i could in all honesty say the honor of knowing him as a friend was enough.

Farewell my friend i will see you again in time.

All my love William Lance Lombardo.
