“ I am so grieved to hear about this. Tony and I grew up in Swiss Colony and I had talked to him not so long ago. My sorry for YOU and his family cannot be expressed in words. My prayers are with all of his family and most expressly for his momma(Bessie). May the closeness of family and friends and most of all God comfort you during this time.

“ I am so very sorry to learn of this untimely death. I have never met Tony nor his wife, children or siblings; but I am a relative. My paternal Gmother was aunt to his GGfather Joseph Durham. I am well acquainted w/Tony's mom, Bessie and graduated in the same class w/ his aunt Wilma Basinger. It is always very sad to lose someone so young; and I send much love and condolences to all members of his family. Lean on God and his strength will be with you and help you through this sadness. If there is anything that I might do to lessen your pain; please don't hesitate to contact me.
