“ We are saddened with news of the passing of this young lady. I remember with fondness her being in my class at HCHS. Nelia remembers good times with her. My heart breaks for you, Hope, and Larry. It is sad to lose any loved one, but one's young daughter must be the worst.

“ I am so sad to hear of Tracy's passing. She was my childhood neighbor on Myhr Drive and one of my very first friends. I've enjoyed staying in touch over Facebook in recent years. Her authenticity, humor and light were evident in her posts. And she never missed an opportunity to share love and support of me. Sending love, comfort and peace to you all at this time of grief. She'll always be in my heart, as I know she'll be in yours.
