I can not say I know what you are going through cause I don't. But I do have children and when the story aired, I hit my knees and cried. It could happen to anyone and to think that it could happen to me and my kids, it terrified me. We prayed for you guys and we are still praying. This is a tough time. Heaven gained a beautiful angel and he is watching over. God Bless!

“ I am Tristan's dad's first cousin and I never got a chance to meet this sweet little boy but heard he was always smiling and happy. My family and I want to express our deepest sympathies to the family. Go rest high on that mountain Tristan. You've earned your angel wings. We will never forget you, R.I.P.
