“ This makes me very sad. Troy was an amazing man and always had a smile on his face and a positive personality even after all he had been thru in his short life. Angie, you were an amazing wife and caregiver and truly carried out your wedding vows "in sickness and in health til death do us part". I'm so happy he was able to watch your son's become the men they are today. Please know you are in my thoughts and prayers during this difficult time.
