“ I met Troy when I was a nurse for Eric. Troy was so funny. And you could bet on Sundays he had that football jersey on. He was a hard worker. He always worked 6-7 days a week. I use to love watching him and Karla pick at each other. Especially if it was football or fight night on PPV. We love you all. Prayers for comfort and peace.

“ Troy was the BEST brother any girl could have ever wanted 💜.
He was an amazing husband, father, grandfather, and uncle.
He was one of the hardest working men I've ever known.
He always had a way to make anyone laugh or smile.

There will forever be a hole in my heart from losing him.

I love him more than I could EVER put into words.

Love your big sister,

Dianne 💜💔💜💔

I only got to know Troy over the last 3-4 years while working with him on various projects. He will be missed greatly, and there couldn't be anyone better to work with or just be around. Truly a wonderful person like no other. My heartfelt sympathy and prayers are with his family and friends. Doug Larkins Chem-Aqua
