“ 11/06/98 - 11/08/17. 💕💕  
*I can still hear his laughter,  
All in my ear,  
I can still feel his soul,  
I know that he's near,  
So many things I wish I could say,  
Wish I could redo time,  
I would've made you stay,  
All my worst nightmares,  
Came true that day,  
Piece of my heart, went stray,  
I know I can't change, what's already  
been done, but this grieve is  
weighing me down,  
weighing me down, a ton  
When you left my driveway,  
I didn't realize what'd that'd mean,  
Didn't realize that'd be the last time  
I'd see you, t.  
crazy how you can still shine so bright,  
even in this dark, and you may not be here,  
but you left one hell of a mark,  
your forever in my soul, forever in my heart,  
not even death can tear this family apart.
