“ You had and will always have an important role in my life, and I don't expect to ever be the same without you. I would do anything to be able to make you laugh one more time. I love you very, very much and I already miss you like crazy.

“ What a special lady my Aunt Velma was. She introduced me to my husband Tommy McClurkan which was my first love.My first date was a double date with Velma and Ken, how lucky was I? Now all three of them can celebrate in Heaven, but don't over do it. What fond memories I have of both Velma and Ken. I love you Velma RIP.

“ My Dear Aunt Velma i will always love you. Thank you for loving me and showing me the true meaning of family. I have so many fun memories of time spent with you and laughing until our stomach's hurt. Memories I will always cherish. Good bye for now is so hard to say even though I know you are in a better place with no more pain. May you rest in peace until we meet again. I will always love you. Kathy
