“ Nannie was a wonderful cook and had so many recipes that the whole family loved, but one favorite dish of Nannie's grandson (John Ellis III) was Nannie's " Tater Hoop or as we call it: Potato Soup" which was only to be rivaled with her Baked Beans recipe.....mmmm

“ Our family has been blessed to have "Nannie" at the helm. She was an extremely caring woman, a good Mother, and she always had your back. She suffered some hard blows in life - but kept pressing on! I see a part of Nannie in each family member and think how proud she was to call us her family. We will miss her always (until we meet again) and she will never be forgotten. Her life and the way she loved each one of us is just another testament to this beautiful soul. She sacrificed so much as a mother and yet said very little - it has been only recently that we have discovered just how she much she gave to all of us - her family.

We will celebrate this life today as we gather at the gravesite and yes to grieve, but mostly to celebrate an outstanding woman that God chose just for our family!

We know in our hearts that there is much joy and celebration in Heaven today as our family members who have gone on before us, receive our precious "Nannie".
