“ To: Tim, Adam & Robin; as well as Nell & David D & David Whitehead and all of Viki's loved ones, I send my heartfelt condolences and Love . May the Lord wrap you in his loving arms and give you some semblance of peace at this sorrowful time. You can rest assured that Viki has a well deserved place reserved for her in God's house; as he promised us all, If we believe in him. He reserves a special place for those like Viki, who loved everyone. I have not seen her in years but trust that she had that same beautiful smile that she got from her mother and was always flashing!! She was always very pleasant and loving with me. I am sad that I cannot be with your family at this time but will keep you all in my prayers. Since I do not have the address of any of you, I am sending a check to McDonald's to be put into the fund for the funeral expenses. Be sure to ask Richard Tate about it. I am making it payable to the family, so that one of you will have to sign it. With love your cousin.
