“ *Remembering Vicky with fondness.
As a 10 year old, I was thrilled that she was my new sister-in-law.
When around her, she'd shower me with special attention by
brushing my hair & letting me ride in the front seat of the car with
her & Jacky.
Vicky endured so much heartache.
I had opportunity to reconnect with her in recent years & to thank
her for her kindness.
Sincere sympathy to Vicky's family.*
