“ I met Victoria when I first moved to Tennessee in 2007. Victoria was a contagious amount of positive energy, love, kindness, and strength. I knew these qualities within moments of meeting her. You couldn't not love her! She was always there to talk you through any hardship, motivate you, encourage you, and was your #1 cheerleader. She was so much more than a friend she was family and a sister. I looked up to her so much, admired her love for her daughter, her drive and passion she had with everything she did. Years went by, and life happened as it does, marriages, babies etc. We reconnected in 2019 at my wedding, where I could not have had that day happen without my Victoria and my Nichole. we all picked right back up where we left off. Thats how you know its so much more than friendship. A piece of my heart is gone, but I will cherish all the wonderful times we had together. I will miss her every day, and send all my love and condolences to Valerie and all of her family.
