“ I can honestly say this hits real different, I pretty much watched u grow up and to know now you're not with us hurts. I remember when you me and your brother would be in the den wrestling and your mom would scream at y'all to not be so rough with me. U became a uncle and was so excited to have your nephew with u. We love ❤️ you and are really gonna miss u.

He had such a joy telling me his daughters name and loved that we were all growing up in life together. Condolences to the whole family.* □

“ *Saddened to hear about the passing of my former captain. Vidall was one of the most passionate players I got the chance to share a court with, and also one of the funniest people I have ever met. I am extremely grateful to have met him and shared similar passions. His huge heart and smile will be missed.*

I send my love to his family.

“ *Vidall has always been a special part of my family. He and my son Jameel along with JT were my boys. They grew up together as they played with each other every single day. When you saw one you saw the other two. Vidall was always lively and fun. He was respectful and loving. I loved watching them grow and develop a special bond. I will always love you Vidall!*
