“ I grew up with Vince, one of my memories of him and his brother Eric was at "old" Goshen Church. My brother and I, along with Vince and his brother were all playing around outside the church. As young children do, we were up to mischief, we found a red wasp nest with several wasps on it and began throwing rocks at it. Whoever was not fast enough to run away when it was hit was stung. I know Vince got stung, I got stung and I believe Eric and Tim got it too. But mostly it was Vince and I. When he went into the nursing home I would stop by and visit with him and he always asked about the church members. I would catch him up on church news and we always had a laugh or two before I left. He touched many lives both at church and wherever he went. I will miss him greatly and take comfort in knowing he was one of God's children. Love and prayers for his brother, Eric and his sister Debbie.
