“ i remember buying a 305 motor out of the junkyard.me and a friend came all the way from west tennessee to Hohenwald to visit,however when we got to Hohenwald the motor in my pickup had blown,so i went to Lester's and ask him did he have a motor that was decent and would run,lol well he looked up and said well i don't know we'll see.so we found one.i asked him how much he wanted for the motor and he said well since it has to be pulled out and put in,awe \$200.00,i said ok i'll be right back with the money.i went to the local ATM and got the money for it,pulled it out and proceded to put it in my truck..now mind you i was doing this pretty much by myself,all my friend was doing was handing me wrenches and bolts..well it got dark on me..Chuck his Son ask me said Bobby think your gonna get it in Tonight,i said yeah if i had some light,he moved his wrecker over in front of my truck and cut his headlights on and i got it finished.it was late...got the motor running and headed back to west tennessee and my friend said think it'll carry us back i said it better lol,afterall we went through today.lol. so we headed back and made it back home....my friend as i was taking the motor out said Bobby you are crazy,you mean your gonna buy a motor that you don't know that runs,i said yeah i got to do something,we gotta have a way home.....Lester Grinned and smiled he said Bobby will get it going....R.I.P Lester we all miss you....

“ I am so very sorry to hear that such a sweet man is gone. I always enjoyed going to the wrecker yard and talking with Lester. Lifting up his family to our heavenly Father to help ease their heartache.
