“ I remember many things about Wayne. He always seemed so calm to me. I know how much he loved to garden. I think it takes a lot of patience to be a good gardener, and I think Wayne was like that. He always was concerned about others and that exhibited his kindness. His strength was evident throughout his life. Even with trials, his faith was always strong. We are thankful to have associated with Wayne for over forty-two years and his family will be in our thoughts and prayers. We will miss Wayne, but know that he is blessed with eternal life.
