“ *Wendy was always one of the friendliest people. Her intuitive personality was so endearing as she did not mince words - could be so funny - always a pleasure to listen to her and catch up on her parents after their move back to Florida.

“ *My heart breaks that the world has lost such a special person and a good friend to so many. The years Wendy and I spent together while she lived with my family and when we shared a house together were some of the best times of my life. We ran her cool Camaro all over those Hickman County roads! She was my best friend for so many years and I now regret not spending more time with her in recent years. Wendy will truly be missed and forever loved ❤️*

“ Oh "Princess" sassy pants Wendy, I'm still trying to wrap my mind around this.. You my friend I will hold dear in my heart forever. You are what kept our lower floor going and a float. From being the bossy one, to being our planner, to just being our mentor and friend. You will never be forgotten, I love you my friend, until I see you again. RIP
