“ *My wife and I moved to Atlanta in 1980. Both Bill and I worked for Delta, we met Bill and Shirley at Church. When Bill heard that my wife and I had just relocated her being pregnant and looking for a place to live. Bill and Shirley took us into their home for several weeks until we found a place just down the street from them. A friendship built from Bills generosity, we stayed close until Bill retired and moved back to Tennessee. We will always treasure the memories and friendship.*
