“ my heart goes out to Becky and Gaylon. Every encounter I ever had with Bill, he had a smile on his face. The people who had the pleasure to know him ,had their life enriched . Every student he taught, coached or even had to discipline were better off for having him in their life.

“ Bill and I got to know each other when we were playing 15 to 18 year old baseball in the summers for Maurice Carcuff. Hickman County and Lewis County combined for All-Stars each year and that's when my love for Bill began! Bill was a really good athlete, but more importantly...a fantastic person! He always had a smile on his face and provided words of encouragement to others! It is perfect that he became an educator and coach to make such difference in the life of others! I want Becky, Gaylon, and family to know how sorry I am for their loss and to realize what a huge impact he made in mine!!!!

“ Mrs. Cude and Gaylon I am so sorry for your loss. Coach Cude was  
a great man. I cannot remember a time in school, playing basketball  
or on the golf course that Coach Cude did not have the biggest  
smile on his face. It did not matter if we were down 10 points in a  
game he had something funny to say to make things a little brighter.  
We lost a great man yesterday.
