“ *My heart felt condolences are with all of you. I met Billy through Eileen, she became my friend at school and I was up at their home as much or even more than was at mine. I not only adopted the family as mine but they adopted me too. I have such fond memories of how worried Billy always was of me walking home from their home. How he use to make me laugh when I stayed over and spent the night with Eileen and Soap fussing for us all to go to bed. You will always be in my heart, even tho I only ran into you a few times a year, I will miss you my friend.*

“ *Billy was such an outgoing and loveable person, he will surely be missed! I will always cherish the times I spent with him & the Hudgins Clan in Fairview. Jr. & Mary, Billy & the girls were fun to be around and always welcoming. I have very fond memories of Billy. My love and condolences to the family.*

“ Thoughts And Prayers for Billy's Family. I have the privilege of going to Church with Billy and his late sweet wife Teresa at Wrigley Baptist Church and you could not ask for any Kinder and Sweet people that they were. He will be Sadly missed. If there is anything that I can do Please don't hesitate to call. Billy always had a friendly smile on his face at church and always greeted you when you would walk in.

“ I love Billy. Jerry and I have spent a lot of time with him - playing ball and the parties after. He was a jewel. Haven't seen him in several years but have never forgotten him nor will I ever.
