“*Marcie Peyton Billy Tommy Novice and Billy Ray I can not begin to say what's in my heart at this time. Wayne was always more than my cousin I loved him very much and as much as it hurts us to give him up here on this earth I believe in my heart that he is now reunited with Jada and that him and Moma are now just arguing over something so silly. Wayne had a memory that was next to none her could recall dates times and people in a instant. We shared some of the craziest times and im so glad were in each others life. He loved Marcie and Peyton and Jada so very much. He loved all his family and he was loved. The past few years were hard on him and he is no longer suffering. Go rest high on that mountain Love Rosa*
