“ *We were both old Nunnely School students; I often reflect on those days and wonder how we all made it as well as we did. I will remember Boxie with fondness. My condolences to my classmate, Barbara, and all the sisters and brothers; to his wife, to Bridgette, and to all his family members.*

Rest in peace.....

“ *Jerlene: Bob and I are so sorry for your loss. And we are sorry we couldn't make it to the funeral home to pay our respects but Bob is real sick and should not be out in the cold or spread his germs. Losing Bro. William was such a shock and he will be sorely missed. We always looked for you guys at Walmart but would run into you at the most unexpected times! I'm sure we'll continue looking! We will see him again someday, but not at Walmart! Our thoughts and prayers are with you and your family.*

“ *I was not fortunate enough to get to know William very long as we just recently met a few months back. William was my grandmother Mable Givens' nephew. The day we met he was very friendly and welcoming. I wish we would have had the chance to know each other better. My thoughts and prayers are with all the McClearen family.*
