“ Will was so funny, had a big heart, and was a hard worker! I'll never forget him wearing TWO pairs of reading glasses at once. Him saying "huh, what" all the time and everyone around him catching onto that & saying it too. Also, his love for his cat named John McCain was something I'll always remember.

“ "Go rest high up on that mountain", Will. Remembering all of the neighborhood football games, fishing on Mill creek and camping on Spring Creek. Can't forget about the cabin we almost burned to the ground while we were asleep. Hard to believe you have left us so soon, you will be missed like a brother.
