

## William Clay Rochelle

March 5, 1994 - October 8, 2022

William Clay “Billy” Rochelle

March 5, 1994 – October 8, 2022

Billy was born in Nashville and raised in Nunnelly, TN, on his family’s farm. A simple man, not much made Billy happier than farming, spending time with his family and friends, and worshipping the Lord. Billy was a fifth generation farmer and loved farming with his dad, whom he greatly looked up to, along with his grandfather.

Billy was full of life, never met a stranger, and could smile and laugh during the hardest of circumstances. He was hard working, resilient, and full of faith every day of his life.

Throughout his years on earth, Billy was a passionate advocate for agriculture. He was greatly involved and excelled in 4-H, fulfilling top leadership roles on State 4-H Council, earning state-level awards, and attending National 4-H Congress. He was involved in the Farm Bureau Young Farmers and Ranchers and served on Hickman County’s Farm Bureau Board as Chairman of the Young Farmers and Ranchers. Billy truly loved all things agriculture and enjoyed giving back to his community in any way he could. He donated to the 4-H Foundation, his church, and other organizations annually. He loved serving others.

He attended college at the University of Tennessee at Knoxville, where he was a member of the Alpha Gamma Rho fraternity, served as a UT Agriculture Ambassador, was a Farm Credit Scholar, worked in the UTK Chancellor's office, served on the TN 4-H Foundation Board of Directors, and earned a Bachelor of Science in Agriculture and Resource Economics on top of several other accolades. He loved sports, primarily football and basketball, and he was over the moon anytime the UT Vols won a game. He attended the Church of Christ at Nunnely and then the Centerville Church of Christ in which he led prayers, attended Sunday school classes, and took part in fellowship anytime he had the opportunity.

Billy was 28 years old when he died doing what he loved: farming. He was a wonderful Christian, husband, father, son, brother, and friend. He is survived by his wife Ericka Ragland Rochelle, his daughter Harlyn Ruth Rochelle (4 months), his parents Danny and Cheryl Rochelle, his sister Lindsey Rochelle Hensley and brother-in-law Kevin Hensley, his nieces Mattie Elizabeth Hensley (5 years) and Martha Rochelle Hensley (2 years), his best friend Justin Crowe, and his long-time coworker Fernando Sandoval, along with so many other family members and friends.

Visitation will take place Thursday, October 13, from 4-7 PM with a celebration of life to follow at the McDonald Funeral Home in Centerville, TN. In lieu of flowers, the family requests that donations be made to the Billy Rochelle Memorial Fund within the Tennessee 4-H Foundation. Donations can be made online at <https://tn4hfoundation.org/donate>. Checks can be made payable to the Tennessee 4-H Foundation and mailed to 2621 Morgan Circle, 205 Morgan Hall, Knoxville, TN 37996. Please mention the Billy Rochelle Memorial Fund on the check.

“ I was the pediatrician for both Billy and Lindsey when they were kids. They were both outstanding children and both matured into amazing young adults, which is a testament to their upbringing. As I read all of Billy's accomplishments, I am so proud of him. To the Rochelle family, I am so sorry for your loss. He was an impressive young man.

“ Billy and Lindsey were both excellent students in my 6th grade class at HCMS. Two weeks ago, Billy brought me 40 square bales of grass hay for our horse and goat herd. He took time to stack the bales in the barn which I appreciated. He talked about Ericka teaching school and how little Harlyn was developing a personality. He got out his phone and showed me adorable pictures of Harlyn and said, "Life is good". He was so happy, grinning as he told me about his young family, Lindsey's girls, his parents and his farming plans. Steve and I pray that Ericka, Danny, Cheryl, Lindsey and family can begin to find comfort and peace knowing that Billy loved them, he was proud of them, and he was happy and content with his life.

“ Once I had a very stubborn lug nut stuck on a truck wheel. Couldn't get it off with anything I tried. Saw Billy down in the field working on something. I walked down there and asked if he had any tool that might help. He pointed to a ratchet and socket and said, "That'll do it". He knew it would and it did on the first try. He was so willing to share what he had. Billy was such an inspiration to us with his love for others. We'll truly miss him.
