“ Wilma and I were in the HCHS class of 1957 and have been friends for many years. We have not seen here much since we retired from teaching, but it was joyful when we did. I taught most of you children, and it was special knowing you were Wilma and Don’s child.

Neil and I send our Sympathy and regards for a lady who lived her life well. May you be comforted by happy memories.

“ I want to Thank Everyone for the Kind and Sincere comments!! My Mom so Loved People! If you were her friend you were always her friend!! She was so giving of herself and never focused on her... (I wish she would have taken more time for her).. Her time as a Kindergarten teacher was PURE JOY!! She loved on her students as a Mom should (she really did). She remembered all of her students, even over 33 years of teaching and she Loves You all Still if you are reading this.

I just wanted everyone to know this and please come to the funeral, you will get to know her better there. She was an Earth Angel!!!

“ Bruce, Cheryl, Todd, Trent,
Love and sympathy in the loss of your sweet mother. She was so proud of her family, extended family and grandchildren. It was such a privilege to work with her at Centerville Elementary School. She loved "her" kindergarteners, and she touched many lives.
God Bless and keep you and give you comfort and peace.

“I'm so sorry for the loss of Miss Cash. She was Cody's kindergarten teacher. When she saw him she said I just love blonde hair, blue eyed boys. She was sweet. My deepest sympathy to her family.

“ Growing up, I loved my aunt Wilma as much as any of my aunts. I had quite a few because my mom had so many sisters. Now although my aunt Wilma was my aunt by marriage to my Uncle Don, I never distinguished any difference between her and any of my aunts. My little story I'm about to tell, I've never mentioned to anyone but at the age of probably 4 maybe 5, I was close to my cousin Bruce Cash, her and Don's son. Well, my first ever sleep over away from home was at their house in Centerville. It was only about 13 miles from my home but to me it might as well been 500. Everything was okay until it was time to go to sleep and suddenly I became very home sick and as I lay in bed with tears running down my face, my aunt Wilma sat next to the bed and read me a story and just talked with me softly and telling me everything would be fine. I fell asleep and the next thing I knew it was morning. I never forgot that and I don't know if she ever told anyone either, but I always loved her. In the past few years I haven't seen her that much, living far away and dealing with life in general, but I knew about her declining health. I know heaven has gained a person with a beautiful heart. I'm so glad to know she's now with her husband Don, my mom who she called Hebbie, and all the rest of Don's sisters. Lordy, I can hear them all now talking and laughing. When they all got together it was such a hoot. Now its a Hoot in Heaven. ❤️

Mrs. Cash was a wonderful loving lady. She truly loved the children she taught. My daughter broke her arm and she rocked her everyday. I will never forget the love she showed and the passion she had. Peace and comfort to all the family.
