“ Jean left a lasting impression on me. We worked together at the County Clerk's office many years. She shared many memories she had of growing up with her sisters; made me laugh a lot! She'd say things like, "Boy, things sure ain't like they were when I was a kid! I would've got slapped if I was ever disrespectful like these kids are now." And, "Y'all better not ever tell Billy I told you this! Oh, he'd be mad at me!" Then she'd laugh so much that she could barely speak. She had so much character, and sure never let anyone run over her. Very outspoken, she'd put a person in their place quickly if they needed it. I will always smile when I think of her. We'll see her again. May God comfort the family & all who were close to her.

“ Jean was the sweetest and kindest person I knew. I met her when I got my first job at Genesco. She and Billy both were the greatest. She will be greatly missed. The Vaughn family will be in my daily prayers. Heaven has gained an awesome angel. Love and hugs to all!!
