“ I want to let the Smith family know that you are all in our thoughts and prayers. We first met Coach Smith on a baseball field but all he would talk to my sons about was playing football. So that fall we signed up for jr pro and the rest is history. My sons became friends with Aaron and they went on to play high school football together. Winford was such a friend to the boys that played football under him and he was a great teacher. He took the time to teach a few parents about the game as well. He will be missed. Love to the Smith family from the Toone/Peden family.
