“ Our love and sympathy to Diane, Cindy and Wm Doyle. I have fond memories of your father through the years - always pleasant. (He loved to get Jelly Belly treats for his grandsons!)
The Lord bless and keep you, and give you peace.

“ Sympathies to my extended family relations. Meeks and my grandmother, Ozell Dunn Truett, were brother and sister, making Paul and my father, Kenneth Weems, first cousins. I visited Paul and Velma with my mom and dad a few times; he thought well of Paul. As an HCHS teacher and librarian, I encountered several of his younger family members and was always proud to acknowledge our connection. May he rest in peace and his memories bring you comfort.
